

“Revival” of the soul

At times, we all find ourselves spiritually stuck, going through the motions but losing the fire. Inside each of us is a desperate cry for something more—a longing for that divine ignition that turns a checklist of duties into a true revival of the soul.

Why are we having this mission?

We are uniting the distinct flames of our history to become one roaring blaze—a single parish family set on fire for Christ. This mission is the spark for a tremendous outpouring of revival, unity, and life. Together, we carry a bright hope as we charter a new course, breathing fresh vitality into our community and our parish life.

Who is it for?

EVERYONE!

This mission is for the whole family, young and old alike.

It is open to all, whether you are Catholic or non-Catholic. We gently guide all throughout the evening to make people feel welcome and loved.
