Highlighting

Our Value As Women as Reflected in the Gospel

Saturday, April 6, 2024

9:30 - 11:30 am

Keynote Speaker, Sr. Antoinette (Nonie) Gutzler, M.M.

Sister Nonie Gutzler will guide us through Gospel passages of women healed by their faith in Christ, leading to the restoration of their wholeness and wellbeing. We will discuss how, for over 100 years, Jesus' love and compassion has inspired Maryknoll missionaries to act in kind, stewarding the lives of those living in the margins back to renewal.

Antoinette (Nonie) Gutzler, a Maryknoll Sister, holds a doctorate in systematic theology from Fordham University. She has served in mission in Tanzania, Est Africa and in Taiwan.
